**Re: *City of Pontiac Gen. Emp's Ret. Sys. v. Lockheed Martin Corp., et al.,***  
**No. 11 Civ. 5026 (JSR)(RLE) (S.D.N.Y.)**

Dear Sam and Evan:

During his presentation during oral argument before Judge Rakoff this afternoon, Mr. Goldstein repeatedly stated the names of two of the alleged “Confidential Witnesses” (“CWs”) in open Court. Obviously, this constitutes a withdrawal of the confidentiality designation you previously asserted as to the CWs’ names, considering that you have now made the CW names a matter of public record. Please confirm that this is the case by close of business tomorrow.

Sincerely,

**DLA Piper LLP (US)**
